Sir

Lb. 57-24-3

I have the honour to state that the District Board having called for G.O.No. L. 4977-84 L.B. 103-22-1 dated 10.1.1923 directing that correspondence between Government and Non-official Presidents of District Boards shall pass through the Deputy Commissioner, the same was placed before them at their meeting held on 2.8.24.

sent 31/8/24.

After due discussion and consideration they have resolved unanimously that the Government be requested to abrogate the rule (G.O.No. L.4977-84/L.B.103-22-1 dated 10.1.1923) requiring non-official presidents of District Boards to correspond with the Government through the Deputy Commissioner and authorise the Non-official President to correspond directly with Government and sending simultaneously a copy of the correspondence to the Deputy Commissioner for his information.

During the course of discussion, it was also observed by most of the members that the distinction made by Government in the case of Non-official and official presidents was not desirable that if direct correspondence is allowed delay and receipt of reminders etc., might be avoided.

A copy of the resolution is herein enclosed.

I would therefore request that the sanction of Government may kindly be obtained in the matter of amending the present procedure and to allow the Non-official Presi-

Presidents to correspond direct.

I have the honour to be,

S i r,

Your most obedient servant,

C. Gopalakrishna

Deputy Commissioner,
Kolar District.

The matter is one entirely for the Consideration of Government. Government have recognised I think that the Deputy Commissioner should be the responsible Head of the District Administration and a kind of representative of Government in the district in relation to the people. It is for the Government to Consider whether the Deputy Commissioner should not be kept-posted ~~with~~ with the affairs of the District & Local Boards

which touch at many vital points the life of the large rural population. It may be added that the Deputy Commissioner has also certain responsibilities under the Local Boards Regulation though the occasion for their exercise may be rare.

There is absolutely no inconvenience in the existing arrangement and this is not a case of individuals distinction between an official and a non official President of the District Board. The official President was corresponding direct with the Government because he was also ex officio the Deputy Commissioner. An official President other than the Deputy Commissioner would also have to correspond through the Deputy Commissioner.

If the correspondence between the President of the DBd and the Government is not to pass through the Deputy Commissioner one logical and inevitable consequence would be to separate the office of the President of the Taluk Board from the Collector.

I have the honour to be
Sir
Your most obedient servant
Deputy Commissioner
Kolar.

(THRO' THE DY. COMMR., KOLAR DIST).

Sir,

With reference to your letter No. H.C.22/24-25, dated the 26/29th August 1924 received from the Deputy Commissioner, Kolar District, forwarding - - copy of the resolution No. 38 passed - at a meeting of the Kolar District --- Board held on the 2nd August 1924 in - regard to the Non-official President - of the District Board being permitted to hold direct correspondence with --- Government and copies of correspond- - ence being sent to the Deputy Commissioner for his information, and re- - questing that the Government Order -- No. L.4977-84/L.B.103-22-1, dated the 10th January 1923 abrogated accordingly, I am directed to state that -- (~~Government see no reason to modify the existing Government Order on the subject~~) The Government Order dated the 10th January 1923 directing that correspondence between the Non-official Presidents and the Government -- should pass through the Deputy Commissionen of the District concerned - is neither against the letter nor the spirit of the Local Self-Government - Scheme. Government consider that -- the Deputy Commissioners must continue to be the medium of communication

between them and the Presidents of -- District Boards as it is not intended to do away with the supervising control of the Deputy Commissioners over the District Boards when non-officials are appointed Presidents thereof. It is observed that the procedure suggested is not likely to facilitate -- matters as the Government will still have to consult the Deputy Commissioners and it is to avoid this and the - delay that this will involve that the present procedure has been adopted. - The Deputy Commissioners have been -- instructed to send up without delay - the communications of the District -- Boards with their remarks if any and the Government see no reason therefore to modify the orders already - - passed.

I have etc.,

L & L. Secy., to Govt.
